Formation:

Danced in mixed lines holding hands with arms down ("V" position) with the leader on the right end of the line. The dance can be started at the beginning of any phrase. Figure changes are

signalled by the leader.

Step Note:

Hop-Step (onto R): Hop on L ft then immediately Step back onto R
ft in place. This is a syncopated step that occurs on counts 2-3
of the measure. Much like a skip, all of the weight should be on
the R ft by the end of count 2.
